

Terms of Use for Instruction Manual Download

Please use the service of Instruction Manual Download on NTN's website (hereinafter, "this Service") after accepting the following [Terms of use].

[Terms of use]

1. The instruction manual is for customers who have purchased the products, and it is assumed that the customers who use the products will read. Please note that we may not be able to respond to inquiries or requests regarding the instruction manual provided by this Service from sources other than customers who have purchased our products.
2. All copyrights and other intellectual property rights of the instruction manual belong to NTN Corporation (hereinafter, "NTN"). It is prohibited to duplicate, alter or transmit the instruction manual, in whole or in part, without permission by NTN. It is permitted to duplicate or print the instruction manual only for non-commercial and personal use.
3. This Service does not provide all instruction manuals for products launched or to be launched by NTN or NTN Group companies. Please note that there may be cases that desired instruction manual is not provided
4. Please note that the products covered by the instruction manual provided by this Service may not be available due to some reasons such as discontinuation of production.
5. The contents of the instruction manual may be changed without notice due to changes in specifications of the product, etc. For this reason, the contents of the instruction manual provided with this Service may differ from that of the instruction manual included with the product at the time of purchase or that included with the product sold most recently.
6. In some products, printed material other than instruction manual may be packaged or attached to the package, etc. This Service does not provide these printed materials other than the instruction manual. For the printed material other than the instruction manual, please refer to that of material packaged or attached to the package, etc.
7. The safety precautions such as "cautions" described in the instruction manual are in accordance with legal standards and industry standards at the time of publication of the instruction manual. Please note that such safety precautions may be modified without notice in response to changes in these standards.
8. NTN shall not be liable for any damages arising from the use or failure to use this Service.
9. Please note that this Service may be discontinued or the contents may be changed without notice.
