

# Special Application Bearings

## Special Application Bearings Contents

ULTAGE series Sealed four-row tapered roller bearings for rolling mill roll necks [CROU-LL type] ...	C- 2
ULTAGE series Sealed spherical roller bearings [WA type] .....	C- 6
ULTAGE series Spherical roller bearings with high-strength cage [EMA type] .....	C-10
ULTAGE series Deep groove ball bearings for high-speed servo motors [MA type] .....	C-14
Four-row cylindrical roller bearings .....	C-18
Four-row tapered roller bearings .....	C-36
Ultra-thin section type ball bearings .....	C-58
SL type cylindrical roller bearings .....	C-66
ULTAGE series Precision rolling bearings for machine tools .....	C-76
Bearings for special environments .....	C-76
Rubber molded bearings .....	C-76
MEGAOHM™ series insulated bearings .....	C-77
Clutches .....	C-77
